... to foster trade between our two countries; to disseminate accurate and reliable information about trade; to settle differences and, generally, to promote friendly business relations between the United States and The Netherlands....

THIS objective, embodied in the charter executed in 1920, is the immutable precept for The Netherlands Chamber of Commerce in New York, its branch office in The Hague, The Netherlands, and its affiliate in San Francisco, California.

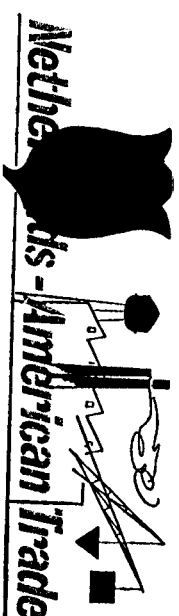

Long-established, successful promoters of two-way Netherlands-American trade, operating on a non-profit, membership basis, the Chambers are supported by Boards of Directors on which prominent American and Netherlands business organizations are represented at the highest management levels.

Expertly bilingual staffs, extensive reference libraries, thorough experience in commerce, economics, finance and public relations, solid contacts with trade associations, etc., and the inflexible integrity necessary to enable the Chambers to function effectively are the sum and substance of the Chambers' consistent success in practical trade promotion.
